We, at UDG have further fined-tuned already a great design concept of our flight case into one specially for the most discerning DJ/producer. Constructed from solid 9mm thick plywood, the outside is laminated in a black finished honeycomb/hexagonal "Stage Grip" pattern. The inner sides are protected with high density diamond embossed EVA foam protective padding. This is extremely robust padding protects the equipment against scratches, dust or other damages, creating a unique stylish & practical finish.

Extra wide silver solid aluminum profile & massive UDG logo embossed ball corners are incorporated to ensures longevity & maintaining a permanently attractive, professional design. This flight case also feature built-in corner wheels on one side for convenient transport and heavy duty spring loaded handles for a secured lift & load.

UDG Ultimate Flight Case Scratch Plus (Trolley + Wheels) 10" & 12" not only transport your complete set up easily & securely, but also facilitates devices to be setup within minutes. With these premium features incorporated, the UDG Ultimate Flight cases provide premium professional quality in a very stylish modern black/silver colored combination.
